

Project description Future Food Design Awards

Please make sure you hand over a complete yet compact project description that takes the following points into consideration. Please send it to us with the other materials required via We Transfer. Your project description should not be longer than 2 pages with a minimum font size of 11, that excludes your budget plan.

What we would like to know:

- Name, phone number, e-mail, city and country of residence
- Additional links to websites or publications about your design (optional)
- A project description containing the following points:
 - the problem you see with optional context information
 - what your design entails
 - how the design addresses or (partly) solves the problem
 - what the target group or end user of your design is
 - where the project is situated
 - the duration of your project. Please indicate it's start and the (expected) end

Please also answer the following questions:

- Who are involved in the project, did you start any collaborations?
- Are there any concrete results yet from your design, and if so, which ones?
- What do you expect to become of your project in the future?
- What will you do with either the first prize of 5000 euros or the public award of 2500 euros? Please give us a thorough insight as detailed as possible. To give you an example of how we would like to receive your budget plan view the example below. Note: the given budget below is only an example, different project require different budgets!
